NANAIMO, BC

## OBJECTIVE

---

Highly motivated Computer Science student seeking part-time or entry-level position where I can contribute my customer service, teamwork and digital literacy skills while gaining valuable experience in a professional setting.

## SKILLS

---

- Proven ability to collaborate effectively in team settings to achieve shared goals
- Proficient in C++, C, and VBA, with a foundation in automation and problem-solving.
- Knowledge of network security, threat analysis, incident response, security tools (SIEM, firewalls), and compliance frameworks (NIST, ISO 27001).

## WORK EXPERIENCE

---

### Seasonal Ambassador

Nov 2024 – Dec 2024

*Lush cosmetics, Nanaimo*

- Demonstrated strong product knowledge across a wide range of products to assist customers effectively in finding suitable products.
- Played a key role in driving significant sales
- Helped organize and host in store birthday parties for children, creating fun and engaging experiences while promoting Lush products.
- Delivered exceptional customer service in a fast-paced retail environment, ensuring customer satisfaction and loyalty.

### Cybersecurity and Digital Forensics Intern,

*Cybersecured India*

Jan 2024 – Mar 2024

- Spearheaded the planning and organizing of youth programs, services, and conferences to foster engagement and community growth.
- Assisted with promoting church programs through various social media platforms.

### Primary School Teacher

*Fofame Private School, Nigeria*

Sep 2022 – Sep 2023

- Delivered engaging math lessons for students aged 10 -15, fostering a deeper understanding of key concepts in class.
- Fostered a positive learning environment through effective classroom management and communication skills.
